

## Proposition 36

### MISSION STATEMENT

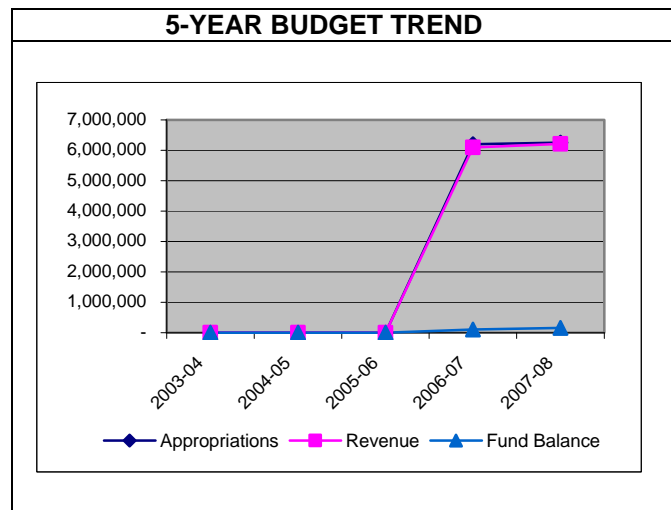

Proposition 36 is to provide nonviolent drug offenders with proven and effective treatment strategies rather than incarceration through a collaborative effort of stakeholders.

### DESCRIPTION OF MAJOR SERVICES

In November 2000, California passed Proposition 36, the Substance Abuse and Crime Prevention Act of 2000 (Act). The Act mandated that certain persons convicted of a nonviolent drug possession offense, and any parolee, who is determined by the Parole Authority to have committed a nonviolent drug possession offense, or violated any other drug-related condition of parole, will be provided drug treatment and related services in lieu of incarceration. Effective with fiscal year 2006-07, the Department of Behavioral Health assumed the lead agency role to oversee the Act. This special revenue fund is used to account for disposition of the funds received from the state.

There is no staffing associated with this budget unit.
